

PaperTyger® 106gsm / 28 # is a lightweight durable laminate paper manufactured by our patented process to produce an alternative to synthetic paper and other durable media products. This product is made with FSC certified papers and includes a weather resistant coating designed to print well with UV IJ Inks. The coating offers weather resistance for a guaranteed 90 days. When used with appropriate outdoor inks it will withstand sun, wind, rain, humidity and dramatic shifts in temperature. Typical applications include outdoor signage and posters.
