

PaperTyger® INKJET 182gsm / 67 # is a heavyweight tear resistant laminated paper manufactured by our patented process to produce an alternative to synthetic paper and other durable media products. This product is the result of a collaboration between PaperTyger and Mitsubishi Paper Mills (MPM) to develop a durable paper solution that delivers optimized print performance on inkjet printers including waterbased, HP PageWide, Memjet and Latex. Typical applications include maps, POS, manuals & publishing.
